

**Developing innovative Technological entrepreneurship at  
universities**

**SKOLKOVO Experience: Creating an Entrepreneurial  
Ecosystem**

**February 21-22, 2012**

## SKOLKOVO model

## Achievements

- 🌐 **47%** of graduates start their own business, **13%** launch tech engineering projects
- 🌐 **Corporate intrapreneurship programmes** for Russian corporations
- 🌐 **FT MBA start-up module:** 14 projects in the beginning → 11 projects @ end, 5-6 able to raise capital
- 🌐 **Business incubator:** 15 teams, 300 sq.m, service infrastructure
- 🌐 **Venture fund:** SKOLKOVO-Nanotech fund established in 2008

## Project sources:

**Technical universities**, research institutes, SkF, design schools

**Corporations** through leveraging internal SKOLKOVO synergies

**Startups in need of support** (FV, SF)

Students' ideas from **EMBA/MBA** programmes

**Open innovation competitions**
