

Viktor Vekselberg and Skolkovo Foundation invite you to visit Skolkovo stand at Saint Petersburg International Economic Forum.

Within two years of Foundation activity we have got **10000** application from startups and growing companies. **2500** have passed expertise and as result of these process we are awarding our **500th** participant!

We are proud of every Skolkovo participant and wish them the best in their further operation! In S.-Petersburg we introduce 21 startups of 5 Skolkovo clusters:

and more than 450 startups online!

Lenexpo 20–23 June, 2012 Pavilion 5

20 June, 2012, Wednesday
17:00, Stand Skolkovo

Within the framework of the Youth International Economic Forum

The Opening Ceremony of Skolkovo Stand

The Welcome Ceremony of the 500th Skolkovo project

22 June, 2012, Friday
8:30–10:30, Pavilion 5, hall 3

Seminar

► **The Russian Potential: Skolkovo the fast track to Russian talents, research, innovation and market**

The discussions will help us to define the parameters of development and discuss the burning issues. What is the value of Skolkovo for the bigger companies? How to accelerate the phase of growth for global-scale innovations? What is the role of the new digital generation with the new world order?
